Dear Parent,

Greetings from The Assam Valley School!

Adventure plays a significant role in the overall growth of a young student and it is an integral aspect of the education we believe in. I am glad to inform you that we have decided to strengthen our Outdoor Education Programme by re-introducing a **mandatory whole-school Expeditions and Educational Tours Module** WEF the new Academic year. Our objective is to instill a spirit of adventure in children and enhance their decision-making and leadership skills. Such outings also provide our students with an opportunity to travel to new destinations, explore and engage in meaningful out of class activities with their peers and teachers. These activities create trust and bonding and bring them close to nature.

In consultation with various experts and tour organizers, we have designed class-wise Expedition and Tour Modules that are cost-effective and safe. We have hired the services of well-accomplished tour operators and expedition experts to help us in framing a well-structured programme across all age-groups. We shall continue to tweak our programme and add new destinations every year to make it more dynamic and interesting. This year, the students of class 6 will be sent to **Kalimpong and Munsong located in Sub-Himalayan West Bengal from 22 to 28 May, 2017**. They will be accompanied by experienced teachers of our school. The activities included will be **camping, white-water rafting, trekking, sight-seeing, visits to a Monastery, Museum, Science Centre, local market and Orchid Farms**. Each of these activities will be led and supervised by trained and experienced personnel. This programme will cost **INR 13,800/- (all-inclusive)** per student. You are requested to complete the following procedure for your ward's participation in the programme:

1. Kindly pay the required amount (INR 13,800/-) by 15/04/2017 by online money transfer to the following bank account:
