THE BADGE OF HONOUR

It gives us immense joy to inform you that The Assam Valley School will be awarded with the "Global League Institute Certificate" and a Badge of Honour at the House of Commons, London on 12 June, 2018. The School has also been recognized as a "Great Place To Study" based on the satisfaction surveys conducted recently. We have achieved an incredible satisfaction index of 4.5 out of 5 which positions us among the best schools that participated in the survey.

We take this opportunity to thank all those parents who took time out of their busy schedules and completed the survey. The staff and students of the School appreciate your co-operation and support in getting this prestigious global recognition.
