

AVS GETS ACCREDITED WITH THE 'INTERNATIONAL SCHOOL AWARD' (2013-2016)

On the 16th November, 2013, the British Council has given the International School Award trophy to the Assam Valley School at their annual award function in Kolkata. It is a proud moment for the school to have received this prestigious accreditation. As an accredited school AVS attains international status and become eligible for international collaborative projects and exchange programmes for a period of three years (2013-2016).

AVS achieved this feat by the remarkable ten projects which cut across curriculum at different levels ranging from the Round Square Conference, Art, Dance, Sunnyside, Junior School, Craft and Design Technology, Environmental Education, Mathematics, Physics, Chemistry, Biology and Social Studies. The collaborations were successful with schools and universities in Canada, the UK, Bangladesh, Brazil and the UAE.

With lots of delight we also announce that the power point presentation submitted by our coordinators Dr. Kuljeet Singh and Dr. Hemashree Deka has also won the award in that category. The school celebrated this feat by having a special assembly on the 20th November, 2013 in which the trophy and the awards were formally presented to the Head of the School, Mrs. Mehta, two ISA coordinators and ten project leaders.
