Debashish Gogoi  
President  
Photography Club of Assam

AVS Photographic Society of The Assam Valley School has become the member of Photography Club of Assam (PCA) since the month of August 2013. PCA is helping and shaping our budding photographers by training and conducting workshops time to time.

We are very grateful to Mr. Debasis Gogoi, President of PCA for his keen interest in training and promoting photography at AVS. We are sure that this facility will make us able to generate many 'Raghu Rais' at AVS in future.
