

Perspective

The AVS Photographic Society

*Celebrating 25 years of
photography*

From the Pen of the Captain.....

*By the time this 2nd Edition of **Perspective** reaches you, we will be in the midst of our End of Semester Examination.*

*Under these trying conditions, our endeavour is to bring a smile to your face and ripples in your hearts through our **Perspective**. In the inaugural edition, you enjoyed our best works from 1995 - 2020. In the 2nd issue we are making a valiant attempt to showcase the work of our old and new, budding photographers. Our endeavour is to reach out to the community and to inspire them to admire the emotions captured through the eye of the camera and to also possibly try their hand at capturing moments that become indelible and lasting memories.*

*The term **Perspective** has been chosen aptly in these times, when people suffering from the impact of COVID 19 may have a different view, reaction and approach to it.*

Wishing you all a happy and safe time.
