Every Picture has a Story.....

BY THEJAZER LINYU

From my 'PERSPECTIVE' photographs are the universal language of our era. Everyone has hundreds, maybe thousands in their pocket. Weightless, they turn the scale when the argument is: What happened here? Images don't age or warp.

A great photographer's strings never go out of tune. It is for this reason that we need photographers. They are the ones who sort all the chaos of the world into images that bring clarity to the free-for-all of life.

SRIJANYAM ART & DESIGN FEST 2020 RESULTS

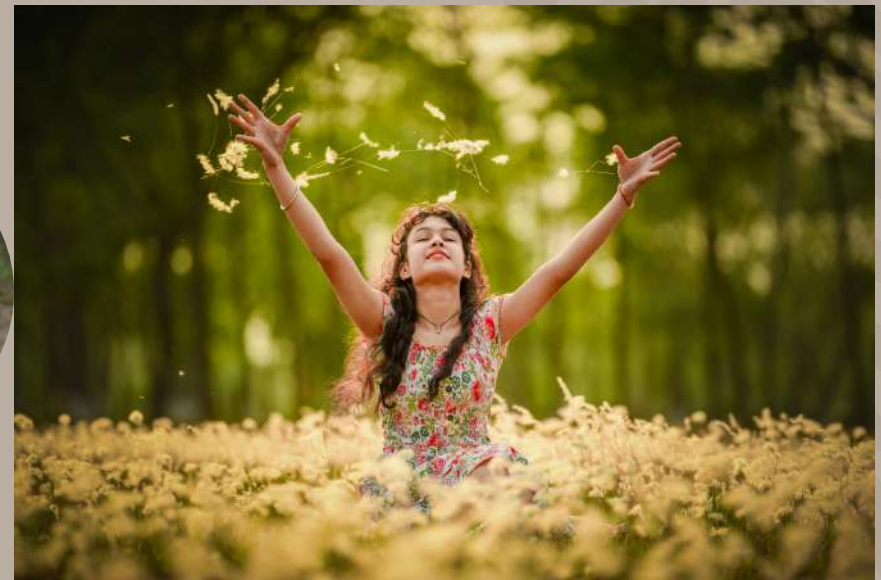

'Srijanyam' Art & Design Fest 2020 was hosted by The Assam Valley School. 41 schools participated in Srijanyam. We were overwhelmed by the quality of the entries for the event and our eminent international jury has acknowledged appreciation for the young talent.

Congratulations to all the winners and the participants.
