INTERNATIONAL BAMBOO FESTIVAL 2020

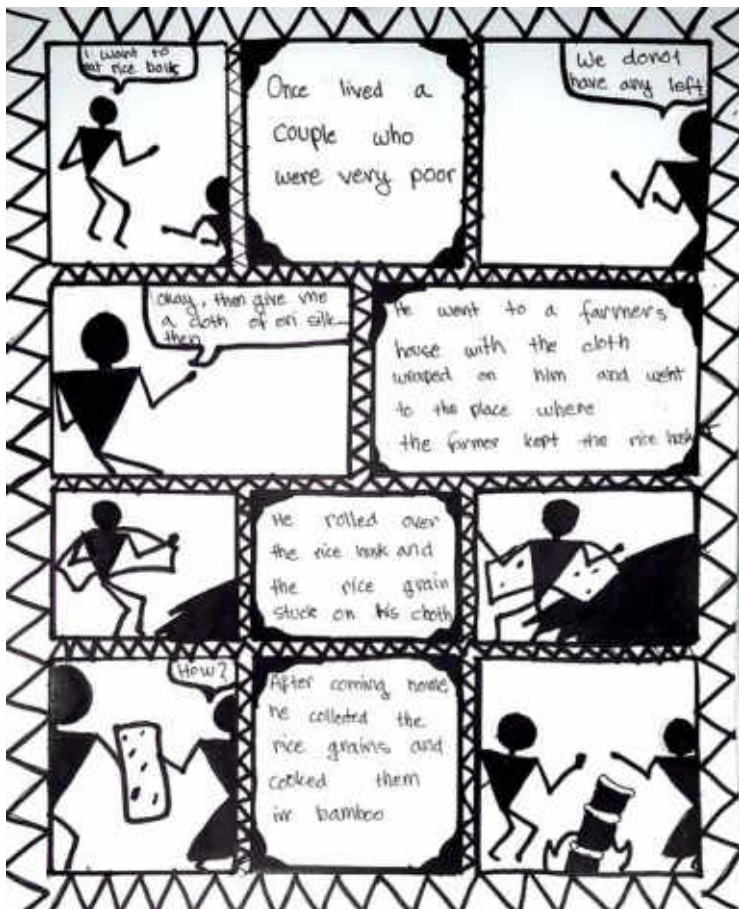

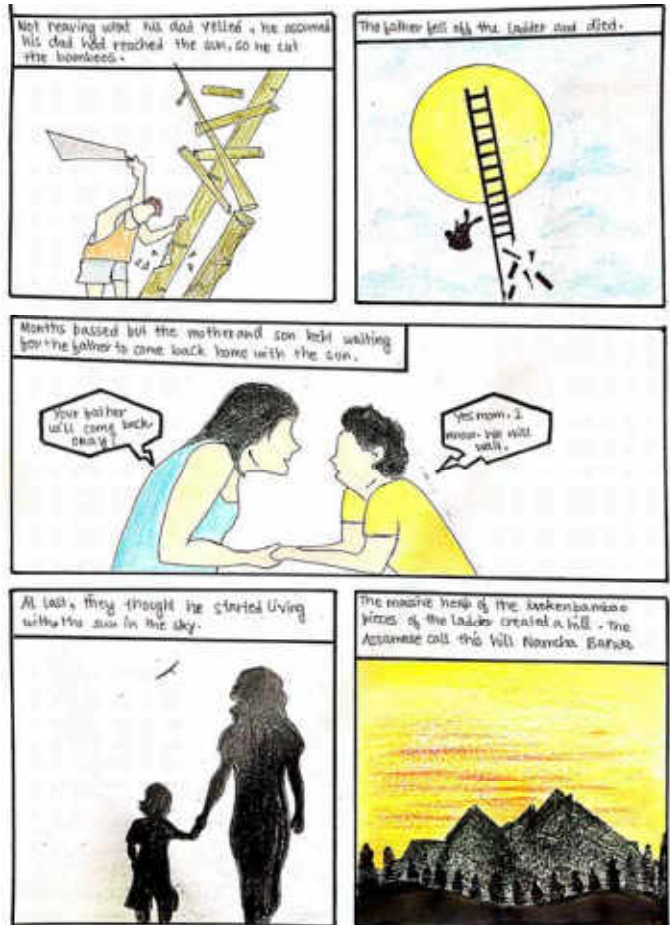

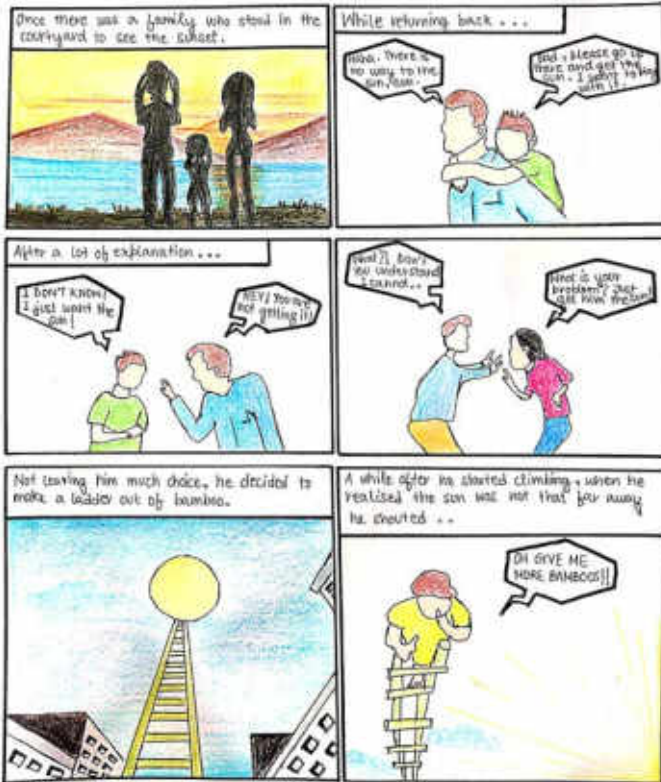

To celebrate the 11th World Bamboo Day on 18th September 2020, the South Asia Bamboo Foundation (SABF), The Assam Valley School (AVS) and National Institute of Design (NID) collaborated to organize various college and school competitions for the International Bamboo Festival 2020 on a virtual platform, this year. The theme for this event was 'Bamboo for Sustainable Development'.

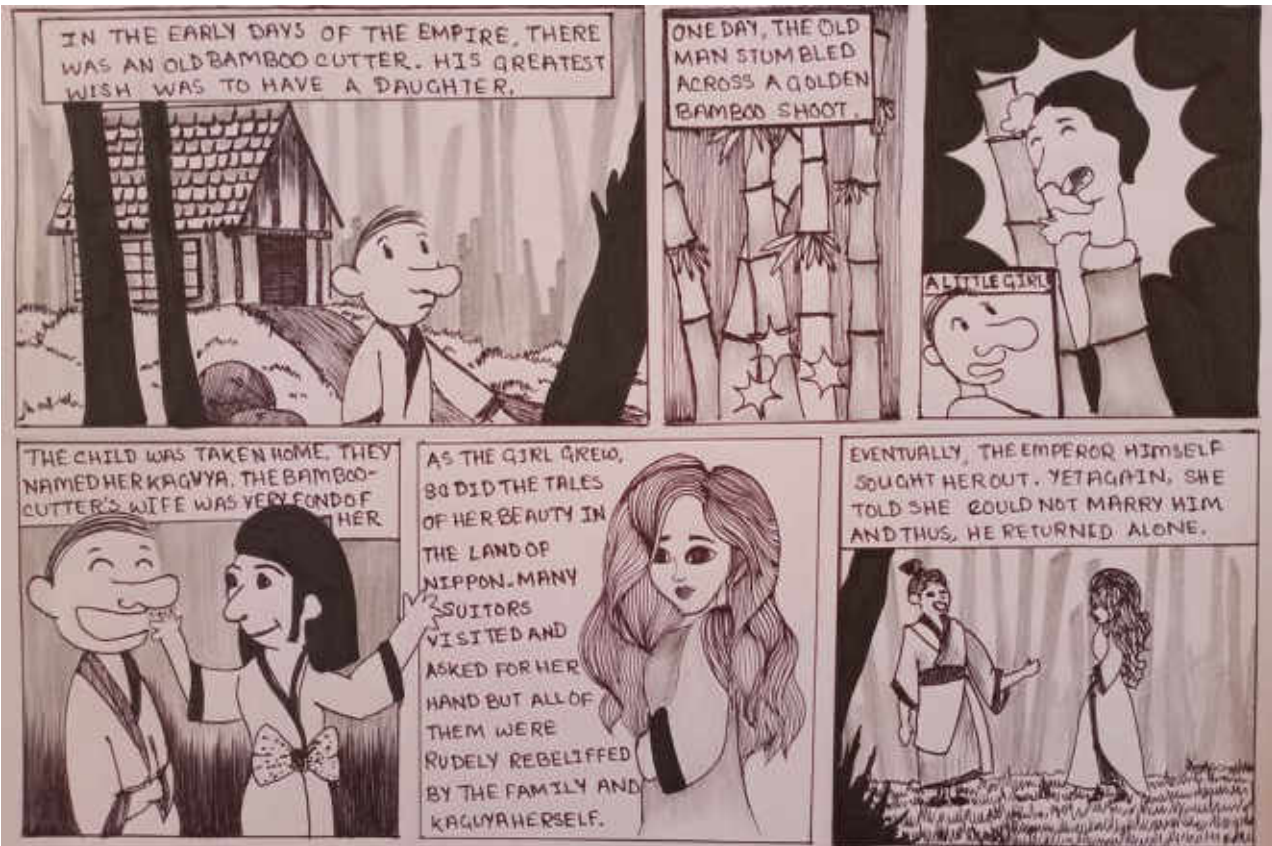

The International Bamboo Festival School Contests were for schools and individual students across the globe, from Grades 6 to 12. Two online school competitions were being held as a part of this festival—International 'Comic Strip Contest' related to bamboo folktales and 'Photography Contest' on the theme 'culture of using bamboo in our homes and our lifestyle' to promote bamboo awareness for sustainable development among school children. There were a total of 214 entries from India, Taiwan, Bhutan, UAE and South Korea.
