

3rd AVS University Fair 2024

On 11th December 2024, we successfully organized the 3rd AVS University Fair for the students of Classes 11 and 12. The event was inaugurated by our esteemed Headmaster, Dr. Amit Jugran, who also took the time to interact with all the university counselors.

This year, we were delighted to host the Tezpur Science Academy School, which sent over 140 students to participate in the fair.

The fair provided invaluable information on courses, application processes, and scholarship opportunities for all attending students. It also served as an excellent platform for the Careers Department to network with university counselors and gather essential resources.

Overall, the event was a tremendous success. Students were enthusiastic and excited to engage with the counselors, leaving them better informed and motivated about their future career paths.
