

# Report on Participation in Q?riosity at Shoolini University, Solan, Himachal Pradesh

**Date: 20th to 22nd January 2025**

It gives me immense pleasure to share my experiences at Shoolini University, Solan, Himachal Pradesh, where I had the privilege of escorting Devansh Agarwal to the Quiz Competition.

The Assam Valley School, represented by Devansh Agarwal (Lohit House, Class 11), recently participated in *Q?riosity*, India's biggest annual inter-school quiz competition for higher secondary students, hosted by Shoolini University. The event saw participation from 46,000 students across the country. After intense rounds of competition, 30 students advanced to the semi-finals, including Devansh Agarwal.

During the visit, I had the opportunity to interact with key dignitaries of Shoolini University, including the Registrar, Chancellor, and Vice-Chancellor. We discussed institutional practices and explored potential areas for future collaboration.

The visit also included a cultural tour of Shimla, offering insights into the region's rich culture and geographical significance. The well-coordinated event fostered engagement for both students and coordinators, providing a platform for meaningful discussions.
