

## Report on High school Startup league

&

## Career talk with Ashoka University Counselor

### High School Startup League at Assam Valley School -

The High School Startup League, organized by The Assam Valley School in collaboration with Masters' Union, Gurgaon, was held on the **9th and 10th of November 2024**. Designed for students from Classes 9 to 11, this event aimed to spark entrepreneurial thinking, foster innovation, and provide a platform for students to pitch their business ideas.

A committed team, including one faculty member and eight management students, ensured the event ran smoothly. Their efforts contributed significantly to the success of the event, creating a supportive environment for students to confidently present their startup ideas.

The event featured 21 teams, each bringing unique and inspiring concepts to the table. Following the initial pitches, three ideas were selected to advance to the second round, highlighting the exceptional creativity, vision, and practicality of these standout projects.

### Career Talk with Ashoka University Counselor

In addition to the Startup League, a career talk was held on 10th November with a counselor from Ashoka University, aimed at Class 12 Humanities and Science students. The session provided in-depth guidance on academic and career pathways, with a focus on the liberal arts and sciences. Students gained valuable insights into the college application process, program selection, and potential career trajectories, making it an informative and beneficial session as they consider their future academic pursuits.

Both events were highly insightful and engaging for our students, who appreciated the opportunity
